

AZCO INDUSTRIES LIMITED

Advanced Ozone Technology (since 1975)

Application Questionnaire

Commercial pools and spas

1. Project name.

2. What is the main water flow through the filtration system?

3. What is the pool volume and approximate surface area?

4. Is there a clean and dry room available? What size?

5. What is the location's voltage, current, and frequency?

6. Do you plan on future expansion?

7. If available, please attach a sketch of all applicable elements.

Please email the completed questionnaire to azco@azcozon.com

We look forward to working with you.
