## AZCOZON PRODUCT WARRANTY CERTIFICATE

Your AZCOZON equipment is warranted for THREE (3) YEARS from the date of original purchase.

WARRANTY is void if water enters the equipment from the ozone line, the gas feed line, or from cooling air intakes. A moisture indicator must be installed in dry air or oxygen feed gas lines. Warranty is also void if excessive dust, corrosive or oily gases are present, or if the unit was visibly damaged in an accident. Your local dealer is responsible for advising about environmental conditions, especially in the tropical countries.

The ozone equipment room must be well ventilated. The unit/system shall be installed and operated only by personnel qualified in the applications for which ozone is required. Refer to the Engineering Specification Data Sheet and a specific Installation Manual. The manufacturer is not responsible for any damage or injury caused by improper installation or operation of this product. **There is dangerous high voltage inside.** End users are not qualified to open the units, or warranty is void. Only personnel that are trained and approved by the manufacturer may conduct repairs.
